Lesser & Pavey would like to thank everyone who was able to make it to this year's Spring Furniture Show and we look forward to doing business with those who couldn't attend the show.

Established in 1971, Lesser & Pavey is a leading UK trade supplier of giftware, home fragrance and homewares. We pride ourselves on fantastic quality products at great value for money, and as a result our brand name "The Leonardo Collection" has become renowned worldwide.

Our ranges are constantly updated and we offer something for every taste, style and price point. We continue to add new ranges of interior accessories across our catalogue, from ornamental gifts like vases and figurines, to a variety of home decor items such as garden ornaments, interior lighting, wall art and many more.

Our Desire Aroma home fragrance range also continues to grow, not only with new products but also with fresh and bespoke fragrances and innovative gift packaging. New additions include more 1 litre and 2 litre reed diffusers which are proving to be very popular as make fantastic statement pieces and exceptional gifts.

It has always been important to us at Lesser & Pavey to build, grow and maintain long lasting relationships with customers and with suppliers and factories. We've been buying from some of the same factories for over 30 years, maintaining the same quality we're renowned for.

As a new supplier to the Minerva furniture group, it was great to start meeting it's members. We exhibited with a number of brand new ranges which are available to order today and are pleased to say we had a successful show.
